(Please print out further order forms if you require more than one pack.)

Please complete and return this order form with your payment. In the case of BR Western Region, please indicate whether white or cream lining and lettering is required.

Please use BLOCK CAPITALS and write station names onto either type of sign opposite depending on style required, indicating exact position of lettering on sign (eg HALT or JUNCTION possibly dropped into bottom section of totem etc at your preference). If you require the running in nameboards to be of specific size, please use the reverse side of this form giving measurements of both height and length of boards in mm.
